

**SUBMISSION OF 2022 NUTRITION ACTIVITIES**

I forward here with the 2022 activities carried out by the Nutrition Unit of the Tarkwa Nsuaem Municipal Health Directorate for your perusal as indicated below:

- Training of Nutrition Champions.
- Engagement of maternity staff on Breastfeeding Code.
- Engagement of Corporate bodies on Breastfeeding Corners at work place.
- Training of Frontline Staff on how to complete the Combined Maternal and Child Health Record Book (MCHRB)
- Focus Group discussion for Mothers on Breastfeeding and Complementary Feeding.

Thank you.
